Day 1 Arrival

Day 2 Seminar topic: Singapore's Success Story

City Tour - Orchard Road, Clarke Quay, Harbourfront

On the first day, experience the many exciting faces of our fascinating city! Contrast the old and the new icons of Singapore, from the Merlion, a fascinating half lion half fish statue overlooking the Marina Bay to the Esplanade - Theatres On The Bay, a magnificent icon representing Singapore's arts and culture.

Day 3 Seminar Topic : The Global Financial Outlook

Visit Singapore's Financial District, home to many banks and financial institutions, is packed with soaring skyscrapers and the newly built marina Bays Resort that lend Singapore its distinctive skyline.

And while we are in the financial district, we will drop by Lau Pa Sat , jostling with the white collar office executives working in the financial district for delicious local food.

Day 4 Seminar Topic : Singapore and the Asian Financial outlook

Visit Little India, Chinatown, Malay village

Experience Singapore's cultural heritage. Chinatown Heritage Centre takes you back in history to the time when Chinese immigrants settled in Singapore and the struggles they faced.

Little India, intense with the aroma of spices and the swirl of colourful sari fabric, forms the backdrop for an afternoon of discovery into the life of the Indian community in Singapore.
