

Study Tour to USA - The Juilliard School and New York, New York!

Young students looking to experience the best of what Manhattan or New York has to offer find just what they're looking for in the The Juilliard School program.

This course features 3-week English programs, with classes held Monday through Thursday.

On Fridays, participants have teacher-led field trips that connect their studies to New York City landmarks by exploring some of the city's unparalleled collection of cultural and media institutions. See what makes New York City's culture unique and enhance your English at the same time!

On weekends, special activities and tours are organised.
